

Designated Agents

WVAC Policy #032119-05

At an open meeting of the West Virginia Athletic Commission on March 21, 2019 following policy is adopted:

Promoters will be allowed to have one (1) designated agent who is authorized to submit bout proposals. All proposals will be submitted by either the promoter or the agent but not by both.

The promoter will need to file a form which will be provided by the West Virginia Athletic Commission designating one individual to serve as agent. The promoter may only have one designated agent.

This policy will remain in effect until rescinded or amended.
