WVAC Policy #032119-03-A

At an open meeting of the West Virginia Athletic Commission on June 17, 2021 this policy is amended as follows:

*The Commission will **no longer** consider records as shown on both Fight Fax and Box Rec to evaluate fighter records and eligibility for approval of proposed bouts **but will instead utilize Box Rec as the sole source of official records for boxers per Association of Boxing Commissioner recommendations.** Combat Registry will be the official source for official MMA records.*

This policy will remain in effect until rescinded or amended.
