

FIGHTER SECONDS/CORNERS

WVAC Policy #090822-1

At an open meeting of the West Virginia Athletic Commission on September 8, 2022, the following policy was adopted:

Each fighter participating in a bout will have at least two (2) licensed seconds/corner persons with appropriately issued wristbands.

If a fighter presents without personally selected seconds, the promoter will provide the seconds or scratch the fight.

Assignment of corner attendants will be confirmed at the pre-fight meeting.

Corner licenses will be issued no later than one (1) hour prior to the first bell. WV Athletic Commission wristbands will not be issued without presentation of proof of appropriate license.

This policy will remain in effect until rescinded or amended.
