

Pre-Event Licensing Required

WVAC POLICY #121522

By unanimous vote in an open meeting on December 15, 2022, the West Virginia Athletic Commission adopts the following policy:

Effective immediately, all participants in an event who are required to be licensed must obtain their license prior to the event. Licenses will no longer be issued by West Virginia Athletic Commission representatives at the event.

This applies to both professional and amateur fighters, corner personnel, managers, and matchmakers.

Promoters are required to be bonded and licensed before any sanctions are issued.

Licenses may be obtained online through the website at <https://athleticcommission.wv.gov/forms/Pages/default.aspx> or by mailing the appropriate forms with a check or money order to the Commission office.

This policy will remain in effect until rescinded or replaced.
