West Virginia Code § 29-5A-6 establishes minimum rates that a promoter is required to pay for officials in all sports regulated by the West Virginia State Athletic Commission. The minimum daily rate of pay set out in the statute for a deputy and referee is \$75.00. For judges, timekeepers, inspectors, and other officials the minimum rate of pay is \$50.00 per day. The Commission is permitted to approve officials for an event who charge more than the minimum statutory amount, provided that the promoter for the event consents in writing to the amount.

The standard daily rate deputies and referees charge in West Virginia is \$150.00. The standard daily rate that judges, timekeepers, inspectors, scorekeepers, and other officials charge in West Virginia is \$100.00. In the interest of ensuring that promoters have qualified officials for each sanctioned event, the Commissions will designate officials for your events even if the official charges a fee that is greater than the minimum amount listed in West Virginia Code § 29-5A-6.

The Commission does not receive any percentage of the rate of pay charged by the designated officials and has no interest in the amount beyond its general obligation to provide for the proper, fair, and uniform conduct of fight sports.

If you consent to the use of officials for your events who charge the standard daily rates of pay, please sign this letter and return it to the Commission by 5:00 P.M. on October 15, 2016. If this signed consent form is not returned, the Commission will deem you to have not consented to the standard rates. Your consent shall be effective until June 30, 2017. However, you may withdraw your consent in writing at any time prior to this date.

If you do not consent to the Commission designating officials for your event who charge the standard rate, please contact the Commission as soon as possible so that substitute officials may be found for your events. You are within your rights to refuse consent. However, failure to consent may cause a revocation of your permit for a future event if there are no qualified officials who are available, willing, and able to work your event for the minimum rate of pay.

The Commission shall accept return of your written consent or any written withdrawal of your consent by mail at 900 Pennsylvania Ave., Suite 623, Charleston, WV 25302, by Fax at 304-558-1139, or by email at WVAthleticCommission@wv.gov. If you have any questions, you may contact the Commission office at 304-558-1428.

In order to increase the quality of fight sports under its purview, the Commission is interested in finding additional qualified officials. If you are aware of any qualified persons who are interested in becoming a licensed official, please provide the name and contact information of this person to the Commission.

Public notice must be made in the local press of the substitutions.

6.7. Late changes to bout card. -- The Athletic Commission shall have the authority to allow changes to the bout card on the day of the event if a scheduled contestant fails to attend the match, fails to pass the physical examination, fails to make the required weight for the fight, or for other good cause as determined in its discretion.
