§29-5A-3. Commission to have sole control of boxing, etc., matches; licenses; municipality not to tax boxing, etc., club.

(a) The commission has sole direction, management, and control of the jurisdiction over all amateur, professional, and semiprofessional boxing, sparring matches, and exhibitions, or any form thereof, to be conducted, held or given within the state by any club, individual, corporation, or association. As used in this article, the term "boxing" includes any fighting event that includes or permits the striking of an opponent with a closed fist, even if wrestling moves, elements of martial arts, or striking an opponent with the feet are also permitted. No boxing, sparring, or exhibition may be conducted, held, or given within the state except pursuant to the commission's authority and held in accordance with this article. The commission may issue and revoke the license to conduct, hold, or give boxing or sparring matches or exhibitions to any club, corporation, association, or individual. Every license is subject to rules the commission may prescribe. Every application for a license shall be on a blank form provided by the commission. Upon application of the promoter's license, the promoter shall pay a state license fee of \$125 for one year. Nonprofit chartered and charitable organizations are exempt from this license fee for all amateur events. No municipal corporation may impose any license tax on boxing, sparring, or exhibition clubs, notwithstanding the provisions of any section of the code respecting municipal taxes and licenses. The granting of a license to a club by the commission, or the holding of a license by a club, individual, corporation, or association, does not prevent the commission from canceling or revoking the license to conduct an event as provided in this section.

(b) In exercising its jurisdiction over professional and semiprofessional boxing, sparring matches, and exhibitions, the commission shall follow the current unified rules of boxing adopted by the Association of Boxing Commissions and requirements to enable the proper sanctioning of all participants, referees, judges, and matches or exhibitions and shall cooperate fully with the Association of Boxing Commissions in order that the sanctioning be extended to state boxers. The commission shall supervise all amateur boxing conducted in this state and any such contest shall follow the amateur rules for boxing as recommended and adopted by the Association of Boxing Commissions, U.S.A. Boxing, the International Boxing Association, or any other appropriate governing or sanctioning body recognized and accepted by the commission. For full contact boxing events and other boxing events that follow nontraditional rules, the commission may impose any limitations or restrictions reasonably necessary to guarantee the safety of the participants and the fair and honest

conducting of the matches or exhibitions and may refuse to license any event that poses an unreasonable degree of risk to the participants.

(a) The commission has sole power, direction, management, and control over all professional and amateur mixed martial arts contests, matches, and exhibitions, or any form thereof, to be promoted, conducted, held, or given within the state.

(b) As used in this article, the term "mixed martial arts" means a combative sporting contest, the rules of which allow two competitors to attempt to achieve dominance over one another by utilizing a variety of techniques including, but not limited to, striking, grappling, and the application of submission holds.

(c) A mixed martial arts contest, match, or exhibition promoted, conducted, held, or given within the state shall be under the commission's authority and be in accordance with the provision of this section. The provisions of this article that apply to boxing shall also apply to mixed martial arts as appropriate.

(d) In exercising its jurisdiction over professional and amateur mixed martial arts contests, matches, and exhibitions, the commission shall follow the current unified rules of mixed martial arts as adopted by the Association of Boxing Commissions to enable the proper equipment, fighting area and weight classes to ensure the safety of contestants and ensure the licensing of all participants, referees, and judges, and the approval of contests, matches, or exhibitions conducted under the provisions of this section.

(e) The commission may issue and revoke a license to promote, conduct, hold, or give mixed martial arts contests, matches, or exhibitions and may issue and revoke a license to be a contestant. (1) Procedures and requirements for the issuance and renewal of licenses: Provided, That the procedures and requirements may not:

(A) Limit or prohibit mixed martial arts contests, matches or exhibitions; nor

(B) Include a provision that a licensee be a West Virginia resident;

(8) Any other rules necessary to effectuate the provisions of this section.

(g) Notwithstanding the provisions of this code to the contrary, a municipality may not impose a municipal license tax under §8-13-4 of this code on mixed martial arts clubs. The granting of a license to a club by the commission, or the holding of a license by a club, individual, corporation, or association, does not prevent the commission from revoking the license to conduct an event as provided in this section: Provided, That nothing in this subsection limits the authority of a municipality to impose any other taxes or fees on mixed martial arts contests, matches, or exhibitions pursuant to §8-13-1 et seq. of this code.

§29-5A-3b. State Athletic Commission Fund.

(a) All moneys collected shall be deposited in a special account in the State Treasury to be known as the State Athletic Commission Fund. (b) A supplemental appropriation may be authorized by the Legislature for administrative expenditures that exceed collections in the fiscal years ending June 30, 2016, June 30, 2017, and June 30, 2018, or until such time as the commission collections are sufficient to fully fund its operations.

The commission may not revoke an event permit or license for refusal to pay a fee greater than the fees in this section: Provided further, That approved officials are available, willing and able to work the event for the proscribed fees. Deputies, inspectors, judges, referees, timekeepers, scorekeepers or any other officials designated by the commission to be in charge of an event shall not accept, other than the fees proscribed herein, any gift, pass or other thing of value in connection with any event.
